

## 2009 OSV / OSIA Melbourne Meetings

Open Source Victoria is an industry cluster of businesses using, selling, supporting and developing Open Source Software solutions.

Join us for informal networking and a presentation from one of our members on a topic of interest to those doing business with Open Source Software. Open Source Industry Australia is a national association of more than 150 member organisations.

Further details can be found at [www.osia.net.au](http://www.osia.net.au)
